HOW IS IT LIKE BEING A FRESHMAN THIS YEAR?

Being a freshman this year is cool. I thought I would get pushed down the stairs or something horrible, but nothing like that happened.

-Cindy Reyes

Being a freshman this year is horrible. all of the higher classmen tease you. Then all your friends change when they get into high school.

-Samantha Renteria

Being a freshman is alright sometimes it has it ups and downs. But, most of the time it is down. we don't get all the same opportunities as everyone else.

- Dustin Taylor

It's better than being in Junior High!

- Robert Sutton

Being a freshman feels pretty normal and it's ok. I actually don't care about being a freshman.

- Danielle Estudillo

Being a freshmen is no good. I'm not scared cuz' I'm bigger than most of them.

- Patrice Dunham

WHS is very exciting to me because I'm very exciting...

- James Davis

Not so bad, it's cool cuz' everytime I do something wrong I say, "Hey, I'm a Freshman. I can't help it."

-Mary Jane

BEING A FRESHMAN IS ... BY THE WAY I WANT TO SEE THE MOVIE STAR WARS EPISODE I (ONE).

- Robert Vasquez

I'll be happier whenver I'm out of High School.

- Adrienne McCauley

No comment.

- Jamie Brewton

It is not so bad.

- Steven Bengson

Being a Freshman isn't that bad. We get away with stuff because we're freshmen.

- Amber Garcia

We think being a Freshman is pretty fun! It's not how everybody told us how it was going to be, anything is better that Jr. High!

- Missy & Beth

I'll be happier whenvery I'm out of here! I'll be able to stau up really late and sleep in.

- Aubrey Hancock

I love it. Speech & Debate kicks butt. I want to be a freshman forever.

- ????

Being a freshman is sad. As soon as you make new friends they graduate.

-Jenna Adams

We can't wait to be SENIORS!

-Chelsea and Amanda

It's not bad, it's only a grade.

-Tangelina Joe

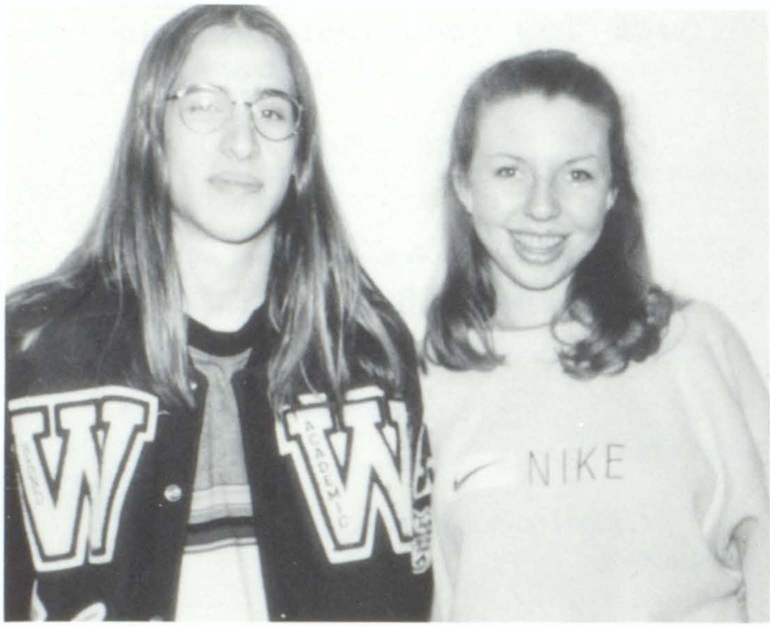

Being a Freshman is the best thing that happened to me...who am I kidding? Being a Freshman is just the same of any other grade!!

Class of '99

It seems like not too long ago we started our first day of school
Every single thing we did seemed so scary and so new
We made it through those very first days just when we thought we wouldn't
We even made it through the years they told us that we couldn't
As we grew it seemed easier to go to school every day
Now that we're older it seems like we just can't wait 'til the end of May
It seems as though the years flew by and are now just memories
Those memories will be kept in our hearts for all eternity
Our graduation day is growing very near
Some of us are feeling those same old worries and fears
We'll miss our friends and miss being home
Because we'll all go out and start lives of our own
But please don't worry or don't be scared , everything will be fine
Because we are the best, We are the Class of '99!

Dedicated to the Class of '99 from Kimberly Cheney

In Loving Memory of

Joe Ronald Bellman

1945-1999

For the last 30 years Mr. Bellman has blessed Winslow High School with his teachings as well as with his successful coaching of our Cross Country and Track Teams. Mr. Bellman was not only a teacher to the students but he was also their friend. He did so much for our school and dedicated his life for the students. Many of us have very fond memories of the things he did for us. His beautiful smile along with the way he put smiles on others faces will remain in our hearts and minds for eternity. In his short time here he touched the hearts of many people and his memory will never die. Mr. Bellman was a one of a kind, he is one teacher whose lessons are sure to live on forever. Thank you Mr. Bellman for showing us how to live. We will never forget how much you have inspired all of us here at Winslow High School.
